

ROCK ISLAND CONSERVATION CLUB NEWSLETTER

VOLUME 1 ISSUE 7 JULY 2016

From the President: Jay Pienta 309-269-1226

COOL weather coming? Hopefully soon. Let's get right into what's happening at the club!

USED OIL—we have discontinued the drop off of used oil. The cost of the removal of the oil has now become too expensive for the RICC to continue this free service. Please make sure you take your used oil to the appropriate drop sites—check your auto supply stores or where you get oil changed. Be kind to our environment by being responsible.

Fall and Winter events— Jay Pienta 309-269-1226 or riccpresident@aol.com

If you are interested in chairing an event, please give me a call. In the past we have had a Fall Party and a Children's Christmas Party. At this time we do not have any chairpersons to begin to plan these events. If you would like to discuss, please call and we can give you some ideas of what was done in the past. If we do not have a chairperson for these events, they will not go on. Money to put on the event can be appropriated by the board of directors and general membership.
